## Property from the Estate of Bob Jefferson

A comprehensive collection of Rolls-Royce and Bentley spares, workshop equipment, tools and literature from this preeminent specialist workshop will be offered. Highlights include thousands of items for British and Springfield Silver Ghost, Phantoms I, II & II, small HP and post war Rolls-Royce as well as vintage W.O., Derby and post-war Bentley spares. Parts for other marques include all eras of Jaguar, Alvis, MG and Triumph. Rare and high quality workshop equipment for engine rebuilding including babbitt equipment and a line boring machine will also be offered, as well as hundreds of factory and custom-made specialty workshop tools for Rolls-Royce, Bentley and other British makes.

Early, rare and high quality  
Rolls-Royce gauges and  
switches.

A Rolls-Royce Phantom I  
carburetor, bronze bodied,  
fully restored.

A set of CAV early Silver  
Ghost side lamps together  
with a set of head lamps, all  
with original lenses, nickel  
plated, headlamps model G,  
side lamps model GS.
