## FAIRFIELD COUNTY CONCOURS

With the demise of the short-lived Newport Concours/Belmont festival, there's now room in the greater New York area for another high-end event to bracket the season begun by Greenwich. The Fairfield County Concours looks to be the one to fill the gap.

With a location at the Fairfield County Hunt Club in Westport, Connecticut, and a strong track record of bringing in worthwhile cars in their first five years, they're well on the way. They're expecting 140 cars for the September 20-21 event; echoing

of Hemmings' own July New England Concours at Stratton, their keynote speaker had to cancel. That doesn't interfere with our favorite event—their "Noon Reveille," where all 140 cars and motorcycles

are encouraged to start their engines. With Ferrari as featured marque and Formula 1 cars scheduled to be on the field, the sound should be exquisite. Contact: [www.fairfield-countyconours.com](http://www.fairfield-countyconours.com).
